

Have you wanted to know how to paper piece and sew curved seams —but are afraid it is too hard??? Now with this class, you can easily learn how to make flowing designs with simple instructions that will make you very confident. This class will also be a great starter class for our November Retreat at Camp Weed for the stupendous Judy Niemeyer pattern.

\$25 plus book & supplies. 10% off book and supplies with registration. I will supply the paper templates.

This is a technique class and I will supply the paper templates.
You bring approximately 1/2 yard of a light for background and fat quarters of scraps, or 2, 4, 8 colors (total 8 fat quarters) and optional one fat quarter for the focus fabric for the centers that combines the colors or coordinates with the colors. You will construct each template and put them together into fun units.
